

PLATOU CHEST

£12,574.00

Description

The Chestnut timbers are selected by hand to craft the Platou chest. This gives this piece an atmosphere that is both warm and rustic. The focal point of this cabinet is the beautiful grain which has been given a gentle lime finish. Style, durability and craftsmanship all come together with this perfect storage sideboard. As a stand alone piece or partnered with The Platou mirror this buffet or sideboard ticks all the boxes. Young modern but not too contemporary. As with all William Yeoward bespoke furniture the Platou Chest can be crafted in a variety of timbers, however we find it lends itself to oak, chestnut wood best
