Description

The eye is drawn immediately to the elegant sculptural base of the Marseilles Oval Dining Table - the embodiment of true craftsmanship. The steamed oval base is made of fine solid timber curved slats which are expertly bound together with a central moulded band. This sophisticated design of base proudly supports the chestnut tabletop. The Marseilles table seats 8 and works handsomely with the Launay Chair upholstered in a luxurious Louisette or next to the Lennox Console. As with all William Yeoward bespoke furniture the Marseilles Dining Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut. Our seating guide is based on a carver chair, so may vary depending on your choice of seating. As a bespoke piece of furniture we can adjust the size to suit your requirements, please contact us to discuss in further detail.
