

LONGWOOD TABLE GREY MAHOGANY

£4,650.00

Description

We love elegant simplicity, so we developed this centre table in a grey mahogany, which is a close match to the original 19th century antique that this was inspired by. The detail is a masterstroke and the proportion sublime. We love the Longwood so much that now we have developed an expanding version on which to take supper.

The Longwood table is also available in greyed oak.
