

BLEEKER TABLE

From
£3,850.00

Description

The Bleeker is a perfect end or bedside table, which will compliment any bed, armchair or sofa. Its contemporary design structure consists of slender crisscrossing chestnut timber, supporting the table top and drawer. Sleek, sophisticated and very usable, you'll wonder how you lived without it. Placed next to the Lauseanne Chair, or relaxed Bilbao sofa. The Bleeker will quickly become a favourite. Photographed here with our Studio Table (on the right).

The Bleeker is also available with a drawer, or can be made double height as a bookcase. As with all William Yeoward bespoke furniture the Bleeker Table can be crafted in a variety of timbers from oak and chestnut through to mahogany and walnut.
