

PAPER COCKTAIL NAPKIN GREEN STARS

£3.75

Description

Paper Linen offers the look of linen, the feel of cloth, and the convenience of paper. Paper linen napkins are extra absorbent and durable, making them ideal for entertaining and everyday use. They are made of ultra-durable, linen-like airlaid paper and printed in Germany with non-toxic, water-based, food-safe ink. These napkins are made using environmentally-conscious raw materials, which ensures that they are both biodegradable and compostable.

Each package contains 20 cocktail napkins.
