

SPECIAL PAPERS RED

£29.00

Description

A slim, elegant patterned box containing 24 sheets of paper printed in harmonising colours. The papers are 30 x 41 cm—the perfect size for wrapping books and other small presents, or for craft projects. Each box contains papers in six designs, each design printed in two colourways, and there are two sheets of each colourway in the box—one to use or give away, and one to keep. Once empty, the box itself is ideal for storing scraps of precious paper that may one day be used for some creative endeavour.
