A bit of WY team member endorsement for the Lulworth:

"I love the flexibility the Lulworth Modular Sofa offers. You can configure your own layout with cubes, chaise or corner units meaning it's super versatile and fits almost any space. Its contemporary shape and generous proportions also makes for an extremely comfortable sitting experience! With arms, or without, with contrast back and arms, with piping, you can design a sofa that is truly unique. Serving suggestion: Add wine and chill for 3 hours."
