Description

Garlands of budding pale blue summer flowers dance their way across this handsome cushion with a neutral linen ground. The William Yeoward for Fine Cell Work Collection is a celebration of charming floral prints, colour, texture and embroidery. Working from nature-inspired patterns from Cath Kidston's 'Joy of Print' the collection is the perfect way to elevate your summer garden space.

Please note that whilst this cushion looks spectacular outside the home it has been produced with a feather pad insert and cotton cover which is not water resistant so please ensure it is stored inside in a dry place.
