

MARIONETTES CARD

£4.95

Description

This extra-special, double-sided, folding concertina cards are crafted from 300gsm smooth ivory uncoated card and litho-printed in England on FSC-certified stock in vegetable oil-based colours that are friendly to the environment. The cards are printed on both sides and left blank for your special message. We recommend writing it along the garland of flowers that the dancers are holding up! When folded, this card measures 9cm wide x 18cm tall. Each card is supplied with a cream diamond flap envelope, and is individually wrapped in biodegradable cellophane .
