

MATTHEW MIRROR SEAL PUP

£1,375.00

Description

Stylish in its simplicity, this large-scale wall mirror has a distinctly mid-century feel.

A bit of WY team member endorsement for the Matthew mirror by Alie - our Account Manager: "One of my many favourites would have to be the Matthew Mirror as it is such a great focal point for any room and starting point for everything else. My ideal room would be a Shoreville sofa (as it's uber comfy) with a Matthew Mirror and of course with one of our fantastic paint colours on the wall. The colour? Without a doubt Willie's Blue! As you can see it is hard to decide on my absolute favourite as I'm totally spoiled for choice!"
