*Total price dependant on customer's choice of fabric. If selecting own fabric, a barrier cloth may be required at an additional price in order to meet current FR legislation. Alternatively, customers can opt to have their fabric FR treated.

*Due to the grid detail on the Bridgewater, please be aware that pattern matching, particularly stripes, can never be aligned due to the stitching. To avoid mis-alignment we would suggest removing the grid detailing or selecting a plain fabric.

All Concept furniture is available in our range of stocked velvets or linens. Choose from luxurious, plain

velvet available in 18 jewel-like colourways or three beautiful and pure 100% linen qualities in a total of 9 sophisticated shades from whites, naturals and greys to true William Yeoward blues. You can also choose to have your Concept piece upholstered in a material of your own choice (COM). Our new velvets and linens are all held in stock and have been FR treated to meet with current legislation.
