

THE GLENMORE

£9,480.00

Description

A classic shape with a contemporary twist. We spent a long time getting our Glenmore tabletop to be the perfect elliptical shape, and paired with our selection of bases the results are stunning. This table would look as at home in a stark scandi-style interior as it would a grand traditional environment. However you choose to style it, be sure to make this table the focal point of your dining room.
